Re: Berman v. Tyco, Case No. 08-CV-00043 (DAB) (KNF)

Dear Judge Batts:

We represent Plaintiff Joshua Berman in the above-referenced case and write this letter pursuant to Rule II(B)(1) of Your Honor's Individual Practices to ask Your Honor if a pre-motion conference is necessary prior to our firm making a Motion to Withdraw as Plaintiff's Counsel, requesting sixty days for Plaintiff to find new counsel and the imposition of a charging lien on any settlement or judgment.

This is an action brought for compensation and severance arising out of Mr. Berman's employment with Defendants. Circumstances have developed in the course of the representation -- including without limitation irreconcilable differences between Plaintiff and counsel as to opinions on legal strategy and the management and direction of the litigation -- that have caused an irremediable breakdown in the attorney-client relationship that prevent my firm from providing effective assistance of counsel.

I have e-mailed and spoken with Plaintiff several times concerning our continued and growing differences. In short, no mutually satisfactory resolution could be reached and I informed Plaintiff that we would be making an application to withdraw. Indeed, Mr. Berman has consented to accept service of this motion by "PDF" e-mail because, we are told, he lives and spends the majority of his time in Switzerland.

We respectfully ask the Court to schedule oral argument on the motion for either June 2, 3, or 4, 2008, because, should Plaintiff wish to be heard, we are told that he will be in New York on

those dates. The motion is ready to be filed.

Please let us know if Your Honor requires any additional information, or if we may file the Motion to Withdraw without any further action.

Respectfully submitted,

David B. Wechsler
